

# CLOSURE NOTICE

*Permanent closure of 24 Street S.W.  
Effective May 24, 2017*

[SWCRRproject.com](http://SWCRRproject.com)

BRIDLEWOOD

Boundary of Transportation Utility Corridor

Westbound Highway 22X

24th St S.W.

 Approximate location of closure

# Details About the Upcoming Closure

## **Where?**

24 Street S.W. will be permanently closed north of Highway 22X and south of the community of Bridlewood.

## **When?**

The permanent closure goes into effect on May 24, 2017. Message boards will be placed along the roadway two weeks prior to the closure as a reminder to motorists.

## **Why?**

24 Street S.W. was intended as a temporary access roadway and the permanent closure is part of the construction for the Southwest Calgary Ring Road (SWCRR).

## **What alternate routes are available?**

Access from nearby communities to Highway 22X is available via James McKeivitt Road S.W. Once the SWCRR is complete, additional access will be available at 162 Avenue S.W.

## **Who can I contact for more information?**

KGL Constructors is building the Southwest Calgary Ring Road.
