

# Southwest Calgary Ring Road

## Construction Advisory

May 2, 2018

### Driving Piling at 162 Avenue

**Activity and Location:** KGL Constructors will be driving piling for the new bridge at 162 Avenue, which will span the future northbound and southbound lanes of the Southwest Calgary Ring Road. This activity will take place in the Transportation Utility Corridor west of the communities of Evergreen and Bridlewood.

Site impacts and mitigation measures will include:

- A piling rig and other bridge construction equipment working in and around the area
- An increase in noise during working hours
- Equipment entering and exiting roadways
- Site lighting will be oriented away from residences
- Dust from construction activities will be monitored and mitigation measures applied
- Piling will typically take place Monday through Saturday from 7:30 a.m. to 5:30 p.m.

**Scheduled Implementation Date:** Week of May 7, 2018

**Scheduled Completion Date:** July 2018

**Hours of Work:** Monday to Saturday from 7:00 a.m. to 10:00 p.m. and Sundays and holidays from 9:00 a.m. to 10:00 p.m.

For your safety, please obey all construction signs and traffic control personnel when travelling through the area.

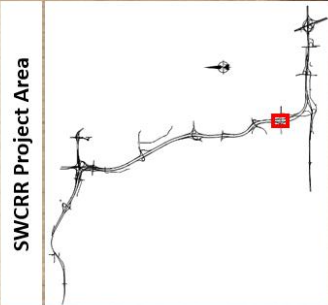

KGL would like to thank you for your patience during this period of construction.
