

# Southwest Calgary Ring Road

## Construction Advisory

February 14, 2017

### Earthworks in the Elbow River Area

**Activity and Location:** As work commences for the Southwest Calgary Ring Road (SWCRR), KGL Constructors will be carrying out earthworks in the Transportation Utility Corridor (TUC) around the Elbow River to prepare for the construction of future bridge structures.

Site activities are expected to include:

- Earthworks in the TUC
- An increase in equipment traffic in the TUC

**Scheduled Implementation Date:** February 14, 2017

**Scheduled Completion Date:** Fall 2018

**Hours of Work:** Monday to Saturday from 7:00 a.m. to 10:00 p.m., and Sundays and holidays from 9:00 a.m. to 10:00 p.m.

For your safety, please obey all construction signs and traffic control personnel when travelling through the area. The TUC is an active construction site and only authorized personnel are permitted within the area.

KGL would like to thank you for your cooperation and patience during this period of construction.
