Construction Advisory

August 1, 2017

Pile Driving near Fish Creek

Activity and Location: KGL Constructors will be driving piling in the Transportation Utility Corridor in preparation for the new bridge that will be built across Fish Creek. The piling will provide foundation support for the future structure.

Site impacts are expected to include:

- An increase in noise during working hours
- Equipment working in and around the area
- Equipment entering and exiting 37 Street S.W.

Scheduled Implementation Date: August 3, 2017

Scheduled Completion Date: September 1, 2017

Hours of Work: Monday to Saturday from 7:00 a.m. to 10:00 p.m. and Sundays and holidays from 9:00 a.m. to 10:00 p.m.

KGL would like to thank you for your cooperation and patience during this period of construction.
