

Southwest Calgary Ring Road

Construction Advisory

November 20, 2018

Drilling Piling along Highway 22X

Activity and Location: KGL Constructors will be drilling and pouring a number of piles along Highway 22X from 6 Street / Sheriff King Street to 37 Street S.W. This activity will take place sequentially in the Transportation Utility Corridor near the communities of Shawnessy, Somerset, Silverado and Bridlewood.

Site impacts and mitigation measures will include:

- A drilling rig and other support equipment working in and around the sites
- An increase in noise and vibration during working hours
- Equipment entering and exiting roadways
- Dust from construction activities will be monitored and mitigation measures applied
- Site lighting will be oriented away from residences
- Drilling will typically take place Monday through Saturday from 7:00 a.m. to 6:00 p.m.

The piles, consisting of rebar and concrete, will serve as bases for future guideposts and directional signs on the Southwest Calgary Ring Road. Additional drilled piles are planned for this area as construction progresses and additional locations become available.

Scheduled Start Date: Week of November 19, 2018

Scheduled Completion Date: February 2019

SWCRR Hours of Work: Monday to Saturday from 7:00 a.m. to 10:00 p.m. and Sundays and holidays from 9:00 a.m. to 10:00 p.m.

KGL would like to thank you for your patience during this period of construction.
