

Southwest Calgary Ring Road

Traffic Advisory

April 25, 2017

Removal of Median Crossovers along Highway 22X

Locations: Three access roads in the median of Highway 22X

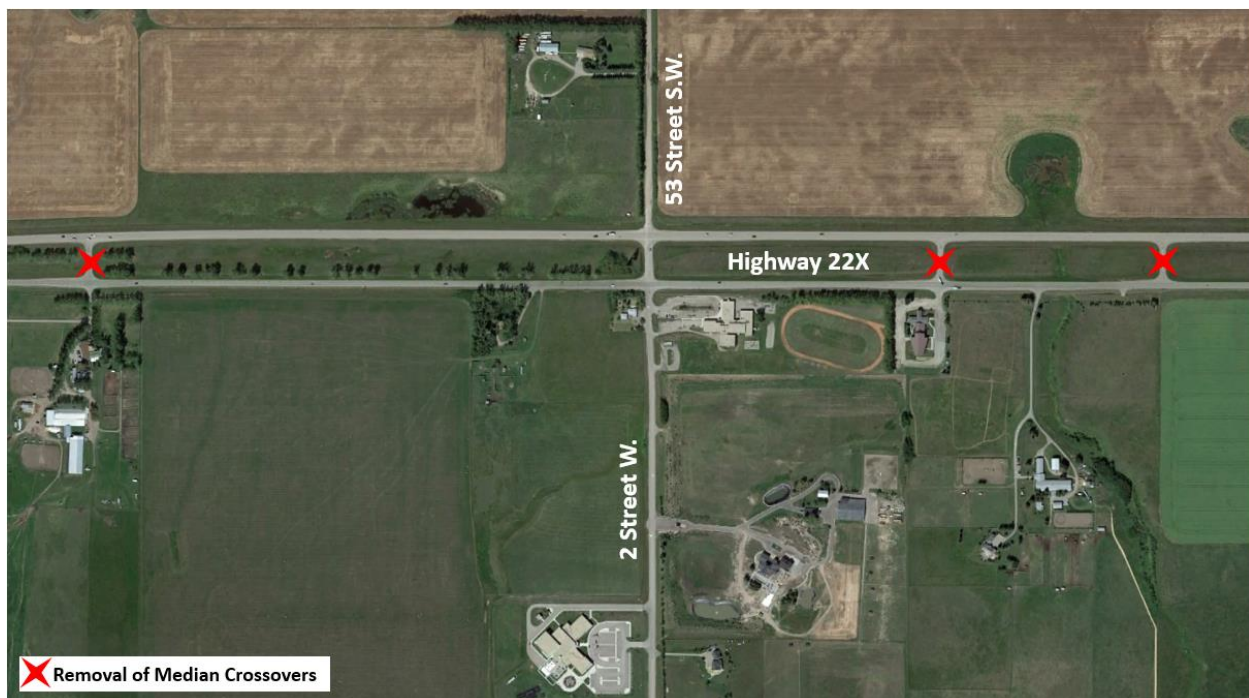

- One road crossover between 69 Street S.W. and 53 Street S.W.
- Two road crossovers between 53 Street S.W. and 37 Street S.W.

Impact: Permanent removals

Reason: Construction of new eastbound lanes for the Southwest Calgary Ring Road

Scheduled Implementation Date: Early May 2017

Alternative Access: Access will be maintained at 69 Street S.W., 53 Street S.W. and 37 Street S.W.
