

Southwest Calgary Ring Road

Traffic Advisory

April 5, 2018

Realignment of Weaselhead Road

Location: Weaselhead Road in the Elbow River valley

Impact: Realignment of road from current route onto the newly constructed bridge

Reason: Realignment of traffic over Elbow River channel

Implementation date: Early morning of April 9, 2018

Speed reduction: 50 km/hr from 60 km/hr

Other information: The load capacity of the new bridge spanning the Elbow River has been temporarily reduced to a maximum CL-700 truck.

For your safety, please obey all construction signs and traffic control personnel when travelling through the area.

KGL would like to thank you for your cooperation during this period of construction.
