

# Southwest Calgary Ring Road

## Construction Advisory

February 7, 2019

### Driving Piling near Woodbine

**Activity and Location:** KGL Constructors will be driving piling for the foundation of a new pedestrian bridge spanning 37 Street south of Anderson Road S.W. The bridge will provide a connection between Woodbine (near Woodbrook Road and Woodbriar Place) and the area near the Tsuut'ina Nation Gas Stop. The bridge, running east/west, will span the northbound and southbound lanes of the Southwest Calgary Ring Road.

Site impacts and mitigation measures will include:

- A piling rig and other bridge construction equipment working in and around the area
- An increase in noise and vibration during working hours
- Equipment entering and exiting roadways
- Dust from construction activities will be monitored and mitigation measures applied
- Site lighting will be oriented away from residences
- Piling will typically take place Monday through Saturday from 7:00 a.m. to 6:00 p.m.

**Scheduled Start Date:** Week of January 14, 2019

**Scheduled Completion Date:** Early March 2019

**SWCRR Hours of Work:** Monday to Saturday from 7:00 a.m. to 10:00 p.m. and Sundays and holidays from 9:00 a.m. to 10:00 p.m.

For your safety, please obey all construction signs when travelling through the area. KGL would like to thank you for your patience during this period of construction.
