

Southwest Calgary Ring Road

Traffic Advisory

May 9, 2019

Traffic Realignment on Eastbound Fish Creek Boulevard

Location: Eastbound Fish Creek Boulevard, just to the west of the new bridge under construction

Impact: Realignment of eastbound traffic for approximately 100 metres

Reason: Drilling piling for sign base

Start date: Thursday, May 16, 2019

Completion date: Sunday, May 26, 2019

Speed limit: 50 km/h

Other information: Traffic flow will be maintained in both directions throughout the work period

For your safety, please obey all construction signs when travelling through the area. KGL would like to thank you for your patience during this period of construction.
