

Southwest Calgary Ring Road

Traffic Advisory

June 25, 2019

Pedestrian Detour on 37 Street near Glenmore Trail

Location: Pedestrian sidewalk north of the intersection of Glenmore Trail and 37 Street S.W.

Impacts:

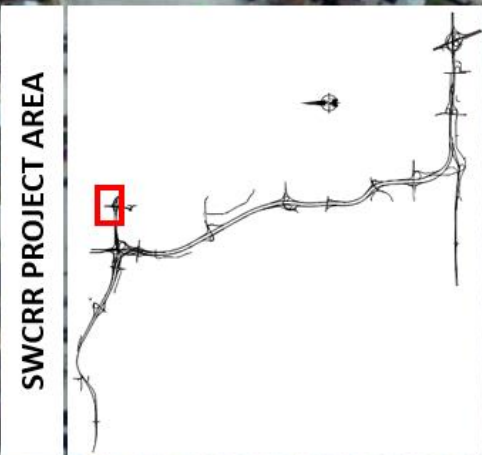

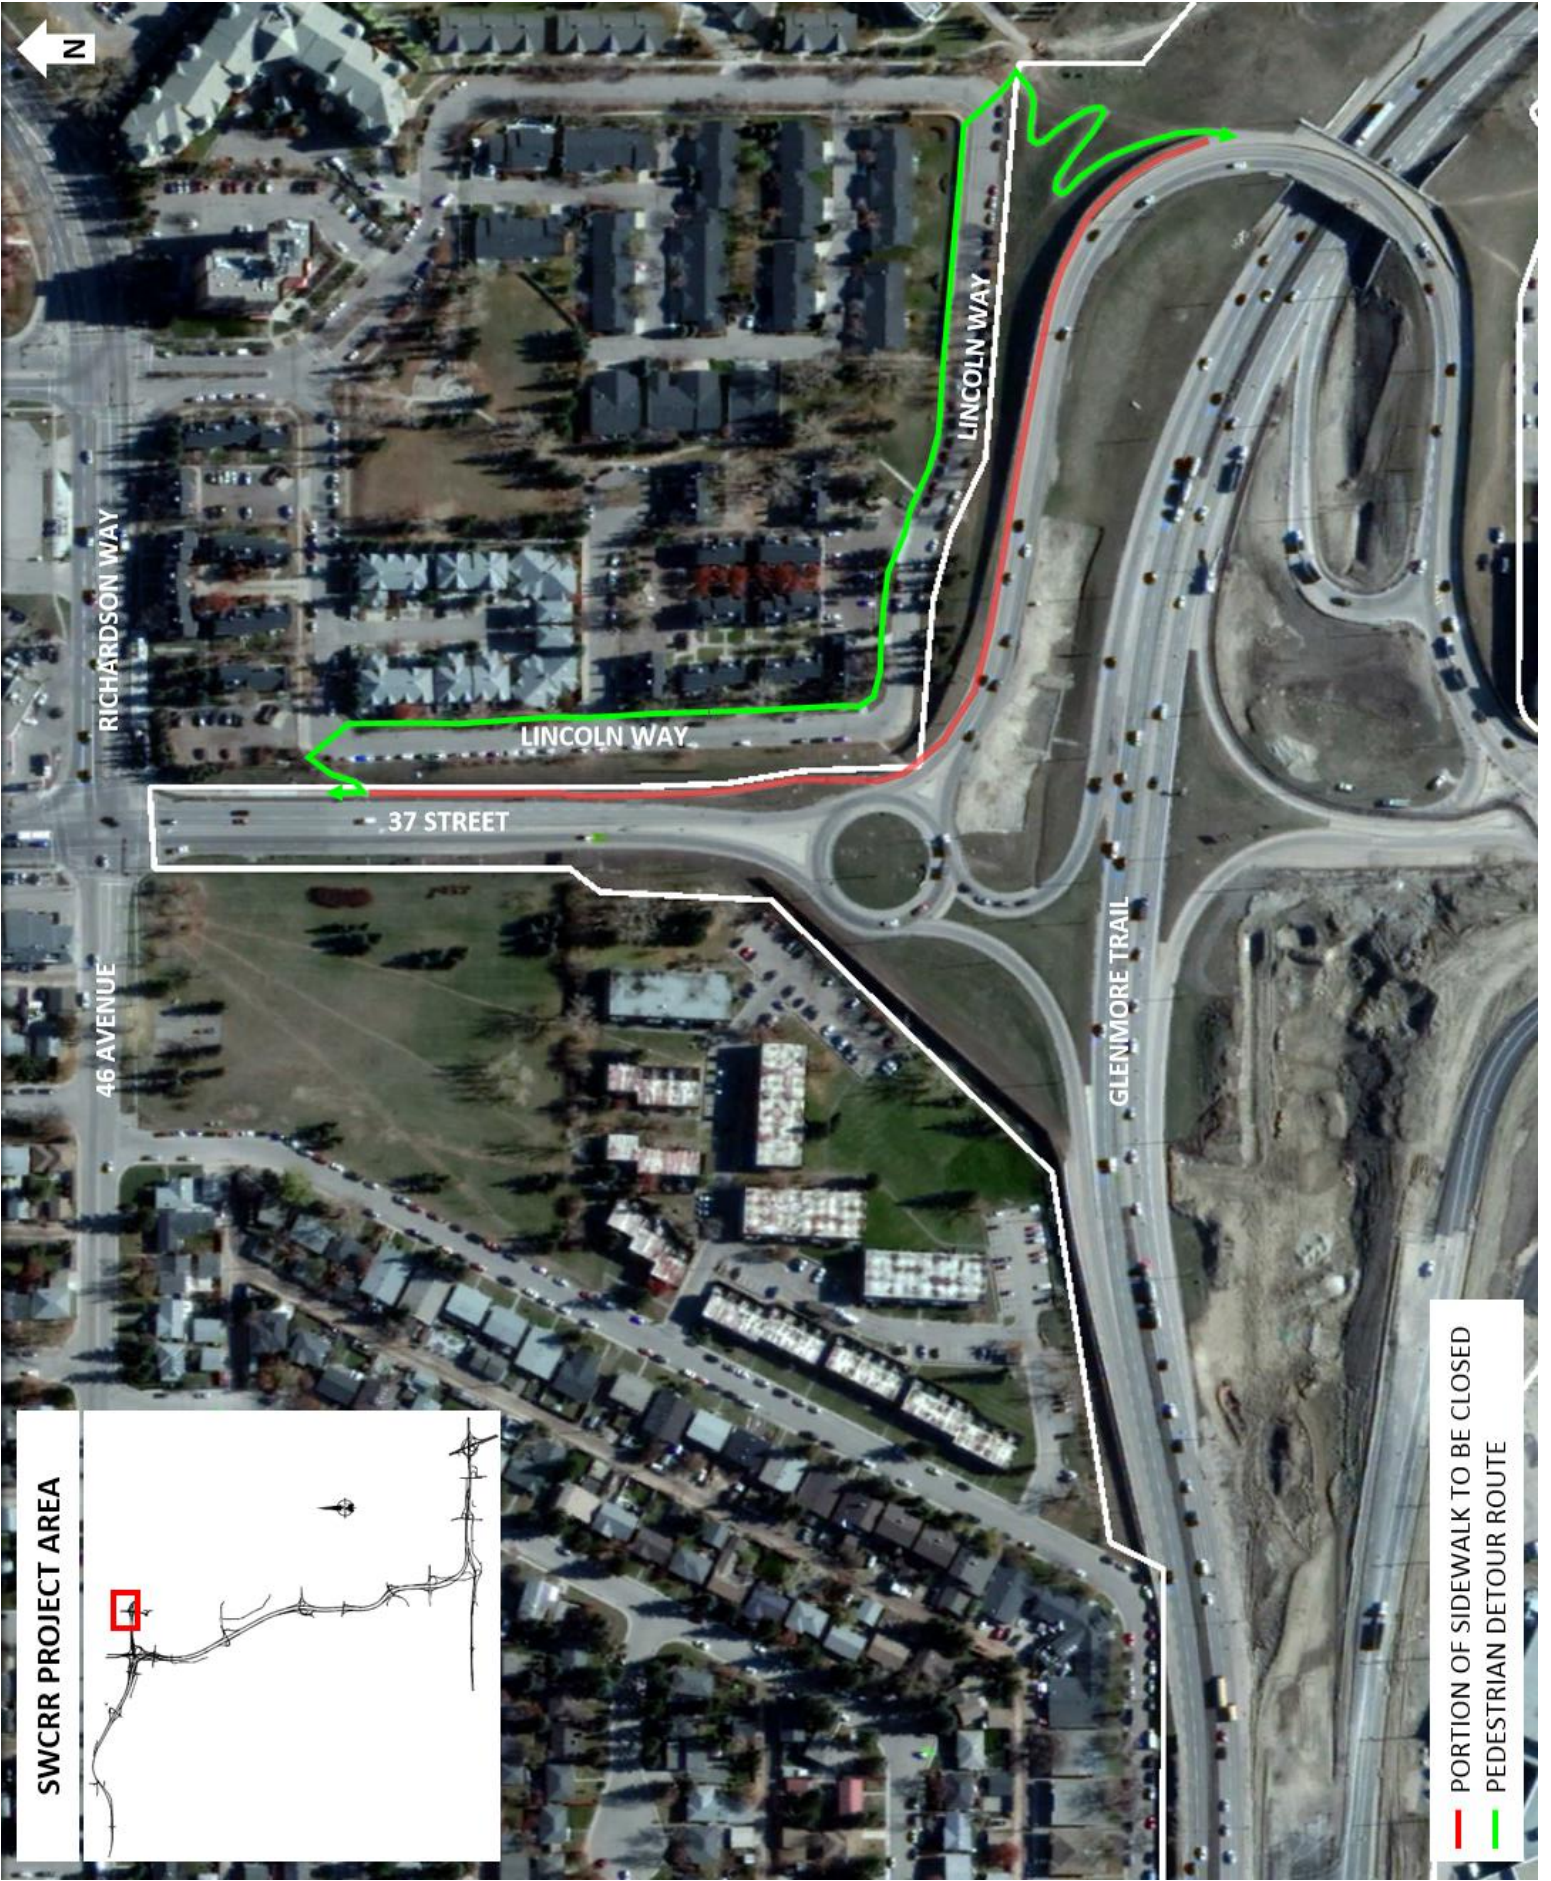

- Closure of the sidewalk between the existing 37 Street bridge and 46 Avenue / Richardson Way
- Detour of pedestrian traffic through the nearby community (along Lincoln Way)

Reason: Moving pedestrian traffic away from construction footprint

Implementation date: Thursday, June 27, 2019

Other information: Pedestrian traffic will be realigned once the new bridge is open

For your safety, please obey all construction signs when travelling through the area. KGL would like to thank you for your patience during this period of construction.
