Driving Piling at 6 Street / Sheriff King Street

Activity and Location: With the successful realignment of traffic at the intersection of Highway 22X and 6 Street / Sheriff King Street S.W., KGL Constructors be returning to the area to complete the driving of piling for the new bridge. This location is in proximity the nearby communities of Somerset, Silverado and Shawnessy.

Site impacts and mitigation measures are expected to include:

- A piling rig and other bridge construction equipment working in and around the area
- An increase in noise from the piling rig during working hours
- Equipment entering and exiting roadways
- Dust from construction activities will be monitored and mitigation measures applied
- Piling will typically take place Monday through Saturday from 7:00 a.m. to 7:00 p.m.

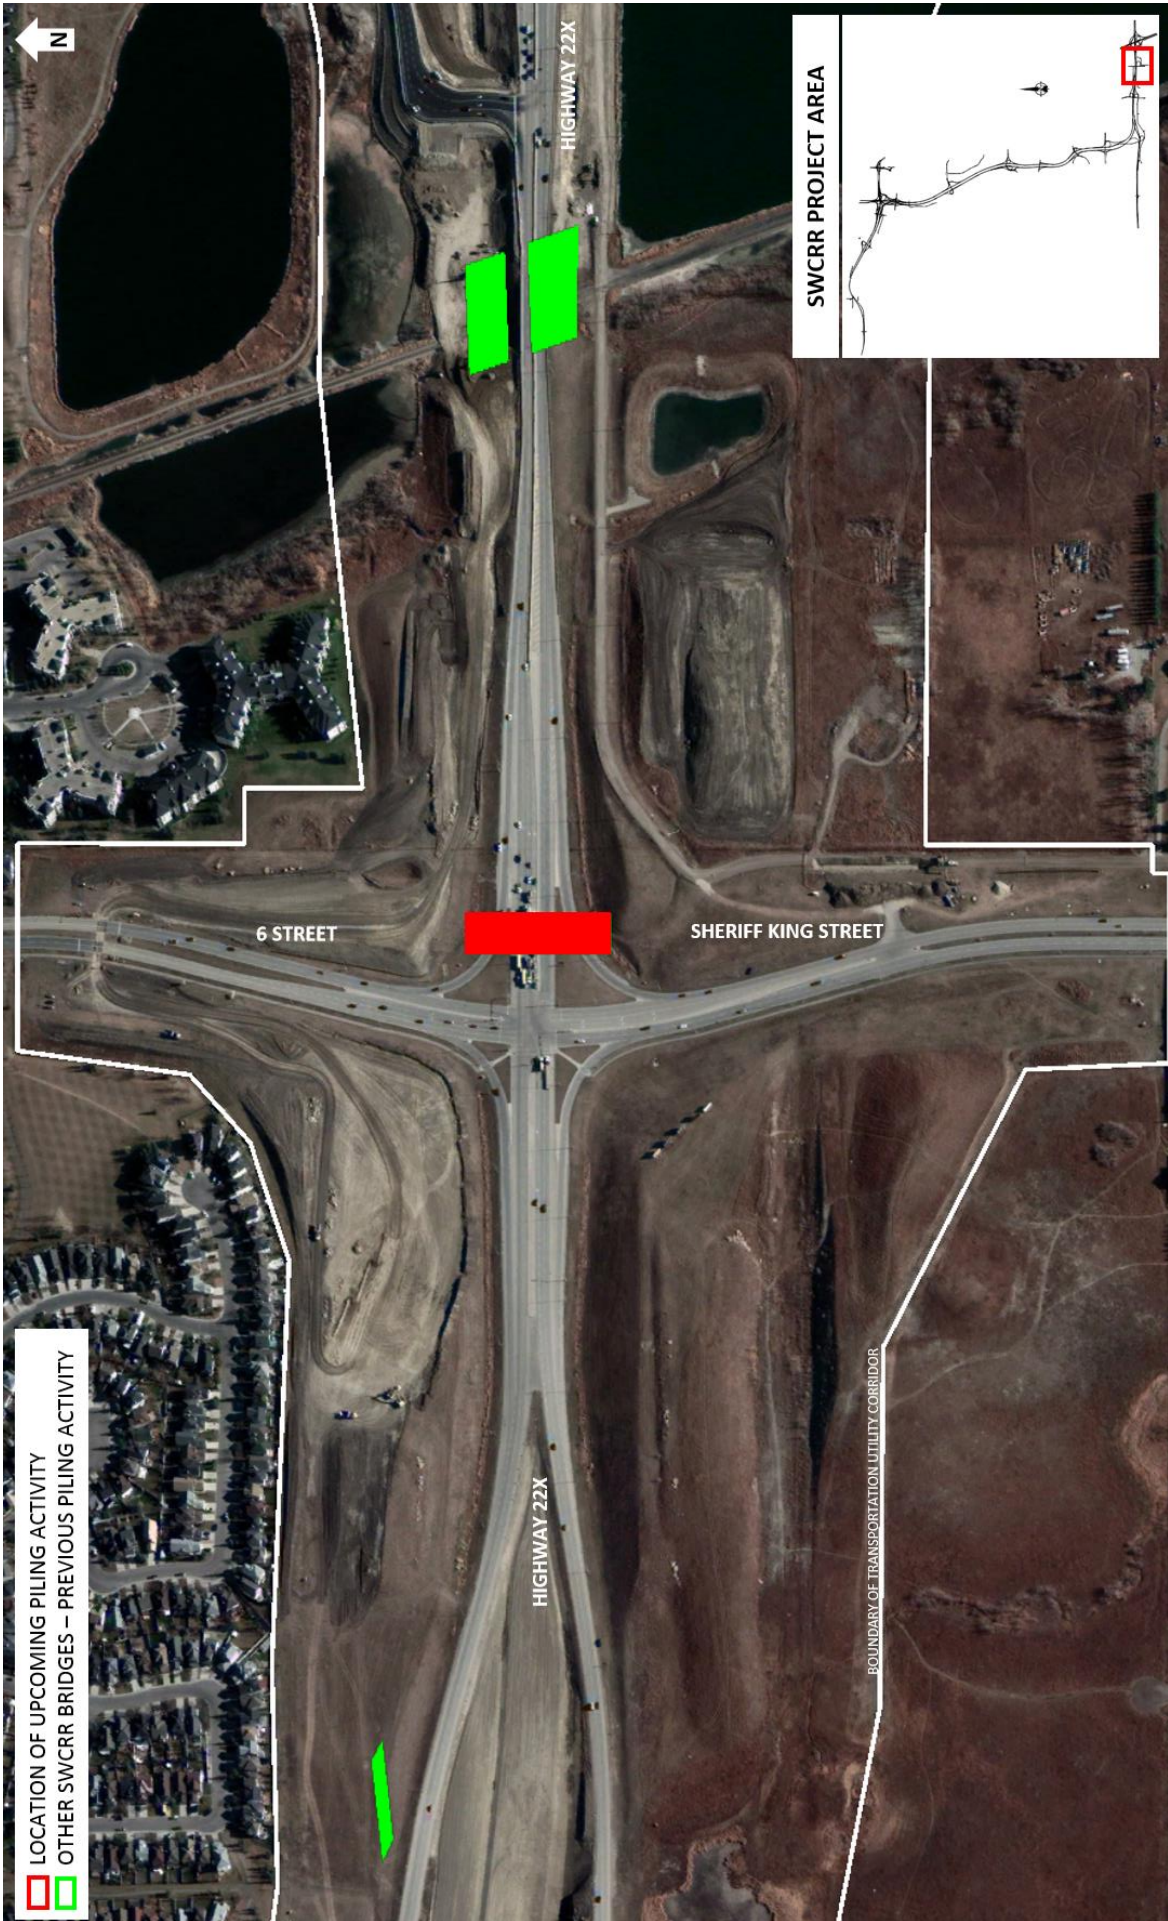

Scheduled Implementation Date: Week of August 5, 2019

Scheduled Completion Date: Late August 2019

KGL would like to thank you for your patience during this period of construction.
