

Southwest Calgary Ring Road

Traffic Advisory

August 14, 2019

Traffic Realignment on Glenmore Trail ramps to 37 Street

Locations:

- Exit ramp from westbound Glenmore Trail to 37 Street S.W.
- Merge ramp from 37 Street to westbound Glenmore Trail S.W.

Impact:

- Realignment of ramps further to the east
- Installation of a temporary traffic signal where the ramps meet 37 Street

Reason: Relocation of the ramps outside the bridge construction footprint

Implementation date: Night of Friday, August 16, 2019

Other information: Access will be maintained at the interchange in all directions throughout the construction period

For your safety, please obey all construction signs when travelling through the area. KGL would like to thank you for your patience during this period of construction.
