Traffic Realignment on Macleod Trail at Highway 22X

Location: Macleod Trail S.E. at the interchange with Highway 22X

Impacts:

- Realignment of southbound traffic
 - The two lanes will be brought back together on the ultimate southbound Macleod Trail alignment
- Realignment of northbound traffic
 - One lane to remain on existing northbound Macleod Trail
 - One lane split to share the lanes for southbound Macleod Trail

Reason: Construction of interchange

Start date: Monday, September 16, 2019 (partial), and Wednesday, September 18, 2019

Other information: Drivers travelling on northbound Macleod Trail and wanting to head onto Highway 22X or Stoney Trail should remain in the right northbound lane to access the exit ramp

For your safety, please obey all construction signs when travelling through the area. KGL would like to thank you for your cooperation during this period of construction.

- EXISTING INFRASTRUCTURE
